

Oberon High School - Aerosols and Sprays Policy

Oberon High School Aerosols and Sprays Policy Rationale Many students and staff at Oberon High School suffer from asthma, and a number suffer from severe allergies and anaphylaxis. Aerosols, sprays and perfumes can act as triggers for people who suffer from these conditions, resulting in symptoms such as asthma attacks, headaches, including migraines, and in extreme cases, anaphylactic shock. In addition, aerosols can be dangerous as they contain flammable liquids and can also cause harm if inhaled.

For these reasons, **aerosols and sprays are banned from school premises** and all excursions, after school activities and sporting events.

Student and Staff Responsibilities

Students are encouraged to observe good hygiene practices including showering regularly, wearing clean uniform and applying deodorant before attending school. **Roll-on and stick deodorants are permitted for use at school.** Students and staff are also encouraged not to wear strong scented deodorants, perfumes or colognes. If students and/or staff are affected by aerosols or sprays they should seek medical assistance at the administration office and notify the Principal.

Confiscation of aerosols and spray/perfume bottles

For safety reasons, if a teacher is aware that a student has an aerosol or spray bottle in their possession, the following procedure will occur:

1. The teacher will request that the student hand them the aerosol or spray bottle. If a student refuses to hand over the aerosol or spray bottle, the teacher will follow school disciplinary procedures.
2. The teacher will secure the aerosol or spray bottle in the drawer of a Deputy Principal's office, at the first available opportunity, writing the student's name and year level details on an attached post-it note. The teacher will also create a Millennium record for the incident.
3. The teacher will notify the student's parent/guardian of the incident by phone call or letter.
4. Students can collect their aerosol or spray bottle from the Deputy Principal's office after 3:18pm.
